SAN FRANCISCO CHAPTER DISTRICT 3 SUMMER SEMINAR

Overall Program Objectives

PeriAnesthesia Nurses Association of California (PANAC) District 3 is planned to provide you with educational opportunity to expand your knowledge in perianesthesia patient management. It will provide you with the opportunity to:

1. Discuss current information on issues related to pathologies, therapies, and techniques which contribute to the quality of patient management ;
2. Network with peers, leaders, and experts from diverse geographical and healthcare area s;
3. Interact with Boston Scientific/ Guidant Corporation representative to gain information and advice on Cardiac Rhythm and Disease Management and services for quality patient care.
