# TO PROMOTE EXCELLENCE IN PERIANESTHESIA NURSING

OUR MISSION IS TO PROVIDE  
OPPORTUNITIES FOR  
PERIANESTHESIA NURSES TO  
COLLABORATE, NETWORK  
AND  
EXPLORE EVIDENCE BASED  
NURSING PRACTICE FOR  
PROFESSIONAL GROWTH &  
EDUCATION

PANAC Orange County Chapter  
Please join the Orange County PANAC  
members in sharing knowledge, clinical  
practice models and networking in a  
relaxed environment and receive free  
C.E. credit for relevant and interesting  
clinical topics.

## Objectives: The Participants will

1. State the benefits of joining PANAC.
2. Identify at least three anesthetic agents used in general and state the action and side effects of each agent
3. Describe the signs and symptoms upper and lower airway spasm and state the intervention appropriate for each.
4. Define key points to remember in 12 Lead EKG interpretation.

This class is approved by the  
California Board of Nursing  
Provider # 00135 for 4.75  
contact hours.
